## Высококонцентрированные жидкие моющие средства для глубокой очистки линия FM

линия FM - FM 30 SGRASSATORE

### Concentrated degreaser

016FMSG0020

FM 30 SGRASSATORE is a highly concentrated liquid detergent for the deep cleaning of all washable surfaces, specially formulated to be used in FM5 automatic dilution systems. Its controlled foam and elevated cleaning power formula is capable of

In order to guarantee efficiency and practicality in use, it is fundamental to use this product in ready-to-use 750 ml bottles fitted with a pump and a green code label. The label and the clear directions for use provided will avoid errors both in the choice of product and during the use of the product by operators.

## линия FM - FM 20 MULTIUSO

Concentrated liquid detergent for the cleaning of all washable hard surfaces

016FMMU0020

Large-scale important cleaning companies, catering companies and restaurants must guarantee the cleanliness and hygiene of large areas and for this they require solutions which guarantee efficiency, the optimisation of costs and warehouse stock.FM 20

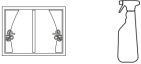

In order to guarantee the efficiency and practicality of use, it is fundamental to use this product in 750 ml bottles fitted with a pump and a light blue code label. The label and the clear directions for use provided will avoid errors both in the choice of product and during the use of the product by operators.

# линия FM - FM 10 VETRI

Concentrated liquid detergent for the cleaning of glass

016FMVE0020

FM 10 VETRI is a highly concentrated liquid detergent for the cleaning of glass and mirrors, specially formulated to be used in FM5 automatic dilution systems. Its formulation, with surfactants providing excellent penetrative and emulsifying capabilities for

In order to guarantee efficiency and practicality in use, it is fundamental to use this product in ready-to-use 750 ml bottles fitted with a pump and a light blue code label. The label and the clear directions for use provided will avoid errors both in the choice of product and during the use of the product by operators

# линия FM - FM 60 PAVIMENTI LUCIDI

## Concentrated liquid detergent for the 016FMPL0020

Large high-quality cleaning companies, restaurants and hotels must guarantee the cleanliness and hygiene of large areas and for this, they require solutions which guarantee efficiency, and the optimisation of costs and warehouse stock. FM 60 PAVIMENTI

LUCIDI is a concentrated detergent for the cleaning of floors and polished surfaces in general, specially formulated to be used in FM5 automatic dilution systems. Usable on all types of floor, it is the ideal product for the cleaning of polished marble, porcelain stoneware, varnished wood etc. in homes, hotels, restaurants, offices, clinics and hospitals. It quickly dries, leaving surfaces shining and perfuming the air. Does not require rinsing. The FM5 system necessary for the dilution of this product, guarantees the correct dosage and the maximum efficiency, optimising costs and warehouse stock. It is fitted with a treatment system for the water supply which drastically reduces the presence of dissolved salts, thus guaranteeing excellent cleaning results and the stability of the product, both in terms of bacterial load and performance.

## линия FM - FM 31 PIASTRE COTTURA

### Concentrated alkaline liquid detergent

016FMPC0020

High-quality hotels, catering companies and restaurants must guarantee the cleanliness and hygiene of large areas and for this, they require solutions which guarantee efficiency, and the optimisation of costs and warehouse stock. FM 31 PIASTRE COTTURA

is a highly-effective degreasing detergent for the deep cleaning of hotplates, ovens and burners, specially formulated to be used in FM5 automatic dilution systems. A highly-alkaline product, it contains nonionic and amphoteric surfactants with a high degreasing power and a notable dampening effect which renders them particularly suitable for the removal of the most stubborn layers of dirt. Specifically for the removal of carbonised residue and old layers of dried grease anchored to surfaces. Ideal for canteen kitchens, hotels, restaurants, fast-food restaurants, patisseries and rotisseries. The FM5 system necessary for the dilution of this product, guarantees the correct dosage and the maximum efficiency, optimising costs and warehouse stock. The FM5 diluter is fitted with a treatment system for the water supply which drastically reduces the presence of dissolved salts, thus guaranteeing excellent cleaning results.

## линия FM - FM 65 PAVIMENTI STRONG

Concentrated liquid detergent for the deep

016FMPS0020

FM 65 PAVIMENTI STRONG is a concentrated low-foaming, highly-degreasing detergent specifically for the cleaning of floors, specially formulated to be used in FM5 automatic dilution systems. Deeply removes all kinds of dirt, even the most stubborn and difficult. Thanks to its elevated whitening power, it provides for the elimination of greyiness from tiles, returning them to their original splendour. The FM5 system guarantees the correct dosage and the maximum efficiency, optimising costs and warehouse stock. It is fitted with a treatment system for the water supply which drastically reduces the presence of dissolved salts, thus guaranteeing excellent cleaning results and the stability of the product, both in terms of bacterial load and performance.

# ЛИНИЯ FM - FM 41 ANTICALCARE

## Concentrated descaling detergent

016FM410020

Big cleaning companies, catering society and important accommodations have to ensure the cleaning and the hygiene of big spaces, that is why they need to activate solutions that may ensure efficiency, cost optimization and storage. FM

41ANTICALCARE is a high concentrated liquid detergent for the daily cleaning and maintenance of toilets, wc, showers etc. specially formulated to be used in the automatic dilution system FM5. Product slightly based on acid, it melts calcareous, dirt and soap residues in a unique operation. It gives back brightness to the surfaces, leaving a pleasant currant fragrance. Ideal for the cleaning of sport facilities changing rooms, sauna and Jacuzzi. The FM5 system, needed for the dilution of this product, ensures the correct dosing and the maximum efficiency optimizing costs and stocks. It has a water treatment system able to drastically reduce the presence of melted salts, so that it can ensure excellent results of cleaning and stability of the diluted product, in terms of bacterial count and performances.

In order to ensure the efficiency and the practicality of the use it is fundamental to employ this product in a ready-to-use bottle of 750ml with a trigger and a label with a red code. The label and the clear way of use reported will avoid mistakes both in the choice of the product and while using it. Do not use on acid-sensitive surfaces (i.e. marble).
